Date: Wednesday 9th May, 2007
Time: 10.00 a.m. - 5.00 p.m.
Location: Waterview, Bi-Centennial Park, Sydney Olympic Park, Homebush Bay, Sydney.

LYNDA DYER - www.MindPowerGlobal.com.au
“ATTRACTING CLIENTS, MONIES, HEALTH TO YOUR BUSINESS.”
This is a “Secret” that wealth creators use globally. The Universal Law of Attraction is very succinct in describing that we only attract to us what we are “putting out”. Lynda outlines the danger of working/living with a “get” mentality rather than a “give” mentality, and provides tools for setting incremental goals to move up the success ladder by creating and not competing.

RON LEE - THE CORPORATE NINJA - www.Corporate-Ninja.com
“ZEN AND THE ART OF ATTRACTING WHAT YOU WANT WITH LESS EFFORT.”
During this interactive presentation Ron delivers powerful messages to teach how, through the power of the mind, you can manifest levels of internal and external power that you previously didn't believe would be possible; how you will be able to dramatically reduce your stress levels whenever and wherever you choose, and much more.

DR. JOHN DEMARTINI - www.John-Demartini.com
“ONE OF THE MASTERS OF THE SECRET REVEALS INFORMATION NOT RELEASED IN THE MOVIE.”
John talks about the power of combining the principles of The Secret with social networking to create fundamental and sustainable changes in your life and relationships. John, who appeared in The Secret, will reveal further secrets not disclosed in the movie.

SECRET GUEST SPEAKER - It's a Secret !!!
Hear from our Secret Guest Speaker, one of Australia's most connected people, how to network more effectively and how to use networking as a powerful marketing, promotion, and/or sales tool to advance your business and personal goals.

JULIAN CAMPBELL - www.JulianCampbell.com
“GETTING PAID YOUR REAL WORTH!”
Are you being paid your real worth? What is holding you back? It's a staggering fact that two in five business failures are directly attributed to undercharging or the over use of credit. Julian will help you overcome the emotion of pricing, discover how to ask for your true value and then ensure the money gets to you quickly using price leveraging.

RICHARD HILL - www.RichardHill.com.au
“CREATING MINDS AND CHANGING LIVES - A NEW WORLD VIEW.”
What do we really know about how the mind works or why? Do we even know what a 'mind' is? Richard Hill presents the newest and most accurate knowledge about the mind in a way that can be easily understood. More importantly, he will reveal a new way of looking at the world which can radically shift your perspective of life.
